

Swap Meet Listings

Unlimited Possibilities' (UP) Swap Meet links families who would like to donate or sell used equipment, with families who are looking for equipment for their child. If you would like to post an item on our bulletin board, please email swapmeet@uptheimpact.org and include the following: a short description of the item, state if you would like to donate or sell (include the price), or details of the specific item you're in need of.

Swap Meet listings will be updated monthly on the website. Please understand that UP cannot store equipment at our facility. For Sale listings may appear for a 6-month period only. Donations of equipment can be acknowledged by UP for tax purposes upon request. If your item is on the Swap Meet Listing and is no longer available, please send an email to swapmeet@uptheimpact.org to have the item removed.
